## EDUCATION

B.Tech (Computer Science & Engineering)	2021-2025	HMR Institute of Technology And Management, GGSIP University	8.64 CGPA (till 7th semester)
CBSE (Class XII)	2020-2021	Guru Tegh Bahadur Public School , New Delhi	72%
CBSE (Class X)	2019	Guru Tegh Bahadur Public School , New Delhi	80%

## PROFILE

As a fourth-year B.Tech student in Computer Science and Engineering at HMR Institute of Technology and Management (affiliated with GGSIPU), I have developed a strong proficiency in full-stack development, including both front-end and back-end technologies. With experience in building dynamic web applications, I have a solid command of modern programming languages, frameworks, and problem-solving. Additionally, I possess foundational proficiency in Microsoft Excel, including data cleaning, visualization and analysis. I am seeking opportunities to further hone my technical skills and contribute to innovative projects in an organization. My background in computer science principles, combined with practical experience in the MERN stack, enables me to take on complex development tasks and deliver high-quality results.

## INTERNSHIP

### Web Development | ZIDIO Development

July 2024 - Sept 2024

Completed a two-month internship at Zidio Development, where I worked with a team on two major projects using the MERN stack. This experience sharpened my full-stack development, teamwork, and project management skills, contributing to both front-end and back-end development of scalable web applications.

### Full Stack Development | UNIVOC

Nov 2024 - Dec 2024

Developed and deployed a responsive website during a 45-day internship, managing both frontend (React.js) and backend (Node.js, MongoDB) in collaboration with a team.

### Full Stack Developer| Aap Ka Bazar

Feb 2025 -Present

Currently working as a Full Stack Developer at Aap Ka Bazar, contributing to the development and maintenance of their e-commerce platform. Collaborating with the team to resolve bugs and enhance features across their Next.js website, MERN-based admin and seller panels, and React Native apps.

## PROJECTS

### CAREER NEXUS | Full-Stack Development

- Developed a user-friendly job portal for seekers to browse, filter, and apply for job openings.
- Implemented an admin panel for companies to post and manage job listings.
- Added a course feature to help users enhance their skills and improve job eligibility.
- Built using the MERN stack (MongoDB, Express.js, React.js, Node.js) for a seamless user experience.

### Result Management System | Full-Stack Development

- Developed a comprehensive web application for managing and displaying student results in educational institutions using the MERN stack and provides a **Student Portal** allowing students to search their results using unique IDs
- Features an **Admin Panel** that allows administrators to add student classes and results, manage pass/fail status, and upload data in bulk via Excel files.

## TECHNICAL SKILLS

C++ , Problem solving, Effective Communication	HTML , CSS , JavaScript , React, Next.js	Node.js, Express.js, MongoDB, SQL , Microsoft Excel, GitHub, Postman
--	--	--

## ACADEMIC ACHIEVEMENTS AND AWARDS

- Achieved two Silver and one Gold medal in Powerlifting over the past three years at the GGSIPU Sports Meet; also a National Gold Medalist and four-time Delhi State Champion.

## TRAINING

### Web Development | Internshala Trainings

- Successfully completed a 8 weeks online certified training on Web Development from Mar 2023-July 2023. The training consisted of HTML, CSS, Bootstrap, DBMS, PHP, JS and React.
